

ALL IN ONE

vendor package

Kendra Benson

from \$7,600

with the dream team

Photographer | Celebrant | DJ | Florist | Dessert... all sorted!

This package includes some of the regions best wedding professionals. They have all reduced their prices to be included in the package as each vendor has worked at our venue many times before, so they know the process and details. This means, you'll also have trusted recommendations for what suits and works best at our venue.

The package is easier for you as you only have one deposit to lock everyone in, rather than 5 to each vendor. Barefoot Beach Weddings take care of checking vendors availability and booking before we hand you over to confirm your colours, style & personal details.

We then know you are getting the best and we get to work with people we know and trust! It's a win / win for everyone!
